Member "dissident" chooses My Groups from the navigation bar:

The screenshot shows the 'YourExpression' website interface. At the top, there is a navigation bar with links: Upload, Photo Gallery, About Us, Contact Us, Log Out, and Help. Below the navigation bar, there is a section for 'My Albums' with a 'New Album' button and a 'Delete' button. The main content area displays a grid of album thumbnails. The first album is titled 'First Album (11)' and shows a photo of a landscape. The second album is titled 'Jim's your uncle. (1)' and shows a photo of a group of people. To the right of the album grid, there are two links: 'hello (0)' and 'Random (6)'. On the left side of the page, there is a sidebar with a shopping cart icon, a search bar, and a 'Visit a User' section.
